

MISS MICHIGAN'S OUTSTANDING TEEN  
PRINCESS PROGRAM  
DEADLINE: MARCH 30, 2010

We are happy to announce the formation of a program for girls ages 6 through 12! Miss Michigan's Outstanding Teen's Princess Program has been developed to bring into our organization a group of younger girls who will one day be part of our Teen program and our Miss Michigan program.

The Princess Program is a fund raising endeavor to increase scholarship dollars paid to the young women who compete in the teen program. The Princess Program enables young girls, ages 6-12, to be mentored by one of the teens competing for the title of Miss Michigan's Outstanding Teen...an organization that represents the best of the best across our state. The teens that compete in this program must study hard, live a healthy lifestyle, have an appreciation for the arts, develop their talents, and be community minded and service oriented.

These are the role models who can make a difference in your daughter's life. Every young lady who participates in the Miss America Organization becomes the best she can be...a winner in life! We want that for your child, too!
